

FEATURES

The Travel Washlet is appropriate for both men and women. Seniors, children or those with limited mobility may find it to be especially helpful. Everyone at any age can enjoy regular use.

TOTO's Travel Washlet lets you carry along the high-tech hygiene technology you've become accustomed to at home. From the office to the airplane, you can enjoy the luxury of warm water cleansing at the touch of a button.

The Travel Washlet is easy to use. Just fill the water reservoir and extend the wand. Two different washing modes—regular and soft—allow you to find your own comfort zone.

- Compact
- Convenient push button design
- Two washing modes
 - Regular, with three streams of water
 - Soft, with five streams of water
- Resistant to chemicals and cleaning agents
